## Nylon Cable Ties

**PROcab**  
**BASIC**  
**SERIES**

The ACT series standard cable ties provide an excellent solution for standard fastening, wire bundling and cable organizing purposes.

They are made out of UL Approved Nylon 66/94V-2, providing a corrosion resistant, well insulated, strong and durable solution. The different sizes and specifications will be appreciated by any installer.

All of them come by 100 pcs in re-closable PE bags for easy usage.

### Available products in this series

Name	Max. Diameter	Packaging unit	Dimensions	Max. Carry Weight	Available colors
