# UNIVERSAL E-PAPER WALL MOUNT
WITH TILT

The **BT7611** is a wall mounting solution designed for E-Paper displays and standard flat screens up to 43". With a re-configurable ultra-slim design, the mount delivers a low profile installation while offering flexible tilt adjustment for precise screen positioning. Engineered with versatility in mind, the BT7611 can be configured in multiple ways: as a fixed flat-to-wall mount, a tool-less tilt mount, or as a compact pull-out mount for easy access and maintenance. The hook-on design and keyhole mounting ensures a quick installation, while locking screws provide additional security in public environments.
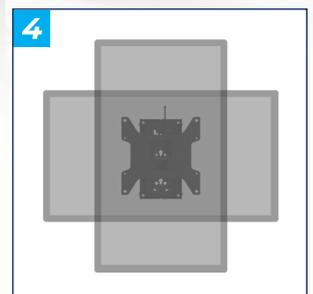

SPECIFICATIONS

|	
Max recommended screen size	**43"**
Max load	**10kg**
VESA® fixings	up to **200** x **200**
Closed dimensions	W: **220mm** H: **261mm** D: **18.5mm**
Depth from wall	**18.5mm**
Tilt	**10°** upward / **10°** downward
Colour options	**Black** or **White**

FEATURES

1 Ultra-slim design for discreet wall mounting

2 Tool-less tilt for quick adjustment to the viewing angle or use the included micro-adjustment screw when more precision is needed

3 Service position provides rear access to the display for maintenance

4 Mounts displays in a portrait or landscape orientation

■ Tilt screw can be removed for tool-less adjustment and fast access to service position.

■ Re-configurable into a flat pull-out tool-less configuration

■ Lockable at 0° or set to the desired tilt angle

■ Can be installed to allow for upward or downward tilt

■ Hook-on design for quick installation

■ Compatible with B-Tech collars for pole-mounted installations
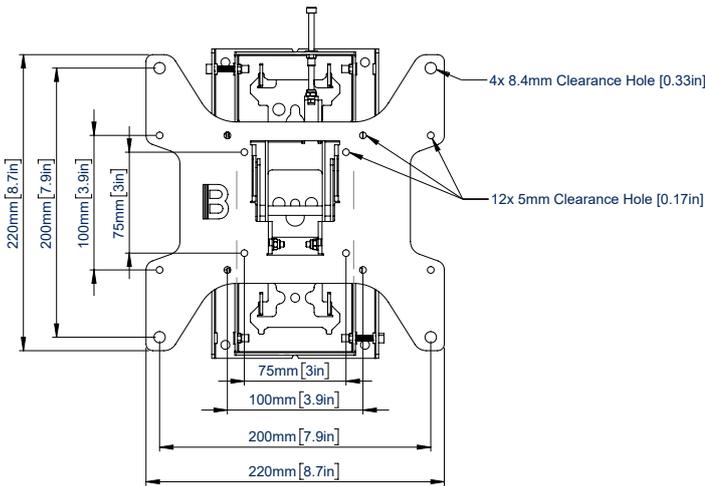

■ **100% plastic free packaging**
