## AV STORAGE TRAY
FOR USE WITH BT7896 PULL-OUT MOUNT

The **BT7896-TRAY** is an additional or replacement AV storage tray designed for use with the BT7896 Pull-Out Flat Screen Wall Mount. It can be installed alongside the original supplied tray, allowing two trays to be fitted side-by-side inside the mount, or it can be mounted to the outside of the BT7896 when internal space is limited. The tray can also be pre-loaded with equipment and used as a quick-swap replacement, enabling rapid reconfiguration during installation or servicing. A self-wrap strip is included for securing AV devices and maintaining a clean, organised setup.
