

# BT8564

## XL FLAT SCREEN TROLLEY

As part of B-Tech's Designer Trolley range, the BT8564 is a high-end mounting solution that adds aesthetic class to any mobile display requirement. Featuring a triangular-shaped column, the BT8564 has a modern, contemporary look and is universally suitable for mounting screens in both landscape and portrait orientations. Levelling screws allow post-installation screen levelling, and integrated cable management keep finished installations looking tidy. Non-marking, braked castors make repositioning quick and easy without marking or scuffing floor surfaces. AV components such as shelves can be fitted directly to the column to accessorise the installation.

### SPECIFICATIONS
