BT9908

SYSTEM X™ WALL MOUNT FOR 84" MICROSOFT® SURFACE HUB™

The BT9908 is a dual rail wall mounted solution designed to mount Microsoft's 84" Surface Hub and other large interactive displays over 72". Capable of supporting heavy duty loads, the mount can easily accommodate the weight of extra-large format screens. Levelling screws allow easy height adjustment of the screen once mounted and integrated cable management keeps finished installations neat and tidy. Safety screws also help to prevent unauthorised removal of the screen.

SPECIFICATION

Recommended screen size	72" up to 120"
Recommended surface hub size	84"
Max load	200kg
VESA® & non-VESA fixings	up to 1400 x 800
Distance from wall	52mm
Colour (mounting rail)	Silver
Colour (VESA arms)	Black
