

CANTO5.12

12 x CENA506 + COM108

Product information:

The CANTO5.12 set is composed of the CENA506 full range ceiling speakers with borderless grill design. The CENA506 provides a clear and intelligible sound, suited for versatile 100 Volt background music and announcement systems. Powered by a COM108 amplifier, great flexibility for connecting sources and microphones is offered. This system, using twelve CENA506 ceiling speakers, can cover areas of around 200 m².
