

# CANTO5.4

4 x CENA506 + COM104

## Product information:

---

The CANTO5.4 set is composed of the CENA506 full range ceiling speakers with borderless grill design. The CENA506 provides a clear and intelligible sound, suited for versatile 100 Volt background music and announcement systems. Powered by a COM104 amplifier, great flexibility for connecting sources and microphones is offered. This system, using four CENA506 speakers, can cover areas of around 100 m<sup>2</sup>.
