

# CANTO7.10P

10 x CIRA524 + COM12MK2

## Product information:

The CANTO7.10P set is composed of the CIRA524 full range ceiling speakers with borderless grill design. The CENA506 provides a clear and intelligible sound, suited for versatile 100 Volt background music and announcement systems. Powered by a COM12MK2 amplifier, great flexibility for connecting sources and microphones is offered. This system, using ten CIRA524 ceiling speakers, can cover areas of around 200 m<sup>2</sup>.
