

C-GM/GM(90)

15-pin HD Cable with a 90° Down-Angled Connector

| VGA/UXGA - 15-pin HD

Kramer's C-GM/GM(90) is a high-performance cable for computer graphics with molded 15-pin HD connectors at both ends, one connector is angled down at 90°

FEATURES

Angled Connector - 90° connector with the cable angled down provides a shallower profile for tight quarters behind a wall plate or rack mounted equipment

Quality Construction - With 28AWG conductors and an outer diameter of 8.5mm, this cable has a slightly slimmer construction than our regular C-GM/GM cable

All Pins Connected for DDC2 and EDID Support
