

FESTA8.2

2 x XENO8 + SMA350

The contemporary design of the XENO8 loudspeakers makes the FESTA8.2 set suitable for fixed installations requiring a high-quality and full-range sound without an additional bass cabinet.

Powered by a SMA350 WaveDynamics™ Class-D power amplifier, this system, using two XENO8 loudspeakers, can cover with high-quality, full-range sound with optimal acoustical performance and protection areas of around 30 m².

Available colors:
