No hang down of the surface in the long run

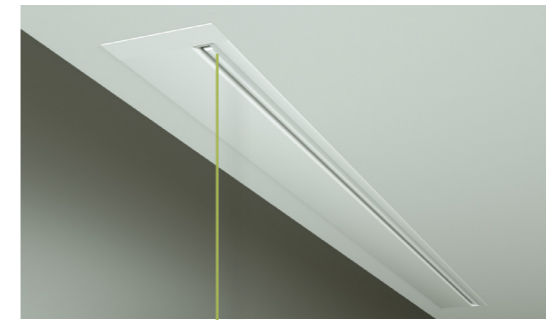

Key features

The invisible screen, when closed it is completely concealed in the false ceiling. It features an extremely flat fabric thanks to the external front fall and it is easily installed due to the exclusive easy-cut system which greatly simplify the operations.

SCREEN CHARACTERISTICS:

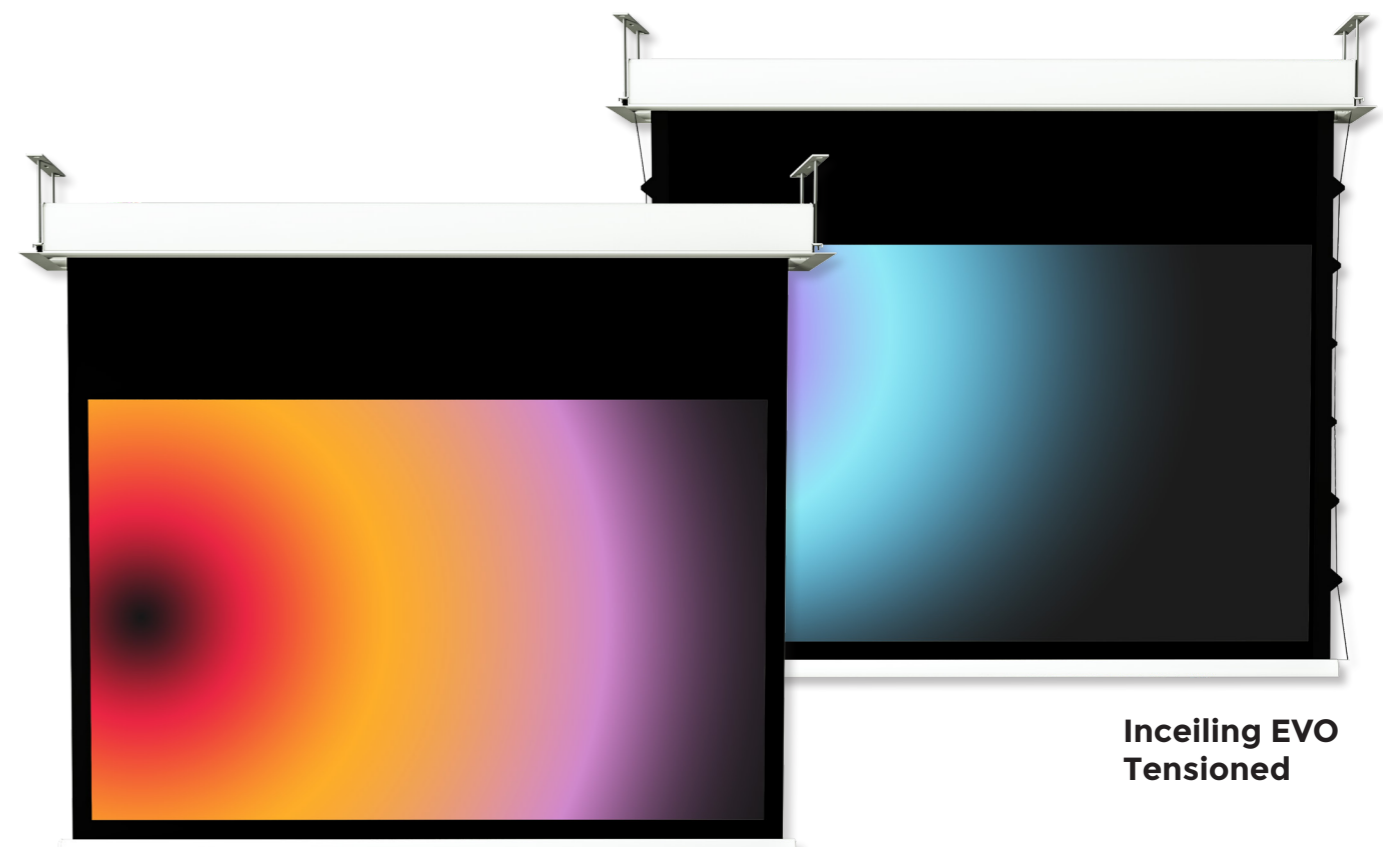

- Totally hidden screen.
- Easy-cut mounting system.
- Excellent flatness of fabrics.
- Easy installation.

Totally closed box

Easy and quick installation
