## Improved version

- New design
- New performance motor
- New invisible brackets
- Silent: 43dB | -80% noise
- Automatic counterweight stop when closed. No hang down of the surface in the long run

## Key features

- It reaches 250 cm base inside a small box with rounded corners. Its matt white finish and neutral look make it ideal for classrooms, halls, and small and medium-sized offices.
- The PVC front and retro-projection surfaces are available in all sizes and formats, with or without black borders.
